Work Experience

[LinkedIn\(For More Details\)](#)

Frontend Development Intern – Sunanda Infotech Pvt. Ltd.

Jun 2024 – Aug 2024

- Contributed to an app development project, focusing on frontend design and functionality.
- Built responsive user interfaces using HTML, CSS, JavaScript, and integrated with a MySQL database.

Open Source Contributor – GSSoC & OSCI

July 2025 – Present

- Contributing to multiple community-driven projects under GirlScript Summer of Code and Open Source Connect India.
- Worked on UI/UX improvements, bug fixes, and feature enhancements across repositories.
- Gained experience in Git, GitHub workflows, issue tracking, and collaborative software development.

Project Developer – Om Sai Industries

Aug 2025 – Present

- Developing a web-based solution to establish the company's first step into online publicity and digital advertisement.
- Collaborating with stakeholders to deliver a scalable and impactful online platform for brand visibility.

President – SPARK club And Led Teams in Hackathons & Projects

Aug 2025 – Present

- Leading departmental initiatives such as coding contests, workshops, and seminars for 200+ students.
- Managing a core team to promote technical learning, open-source contributions, and peer collaboration.
- Mentoring juniors in problem-solving, projects, and career guidance.

Projects

[Github\(For More Projects\)](#)

Career Path Predictor (ML Project)

[Github Link](#)

Developed a machine learning model to predict students' career paths based on academic and personal data. Implemented data preprocessing, model training, and evaluation using Python. Project secured top position at institute level.

Alumni Network Platform (MERN Stack)

[Github Link](#)

Developed a full-stack alumni network platform using MongoDB, Express.js, React.js, Node.js, and . Implemented authentication (login/signup), protected routes, and profile management with Cloudinary image upload. Platform allows alumni to connect, view profiles, and manage professional networking.

Om Sai Industries Online Publicity Project

[Github Link](#)

Developing a web solution to establish the company's first online presence for publicity and digital advertisement. Handling requirement analysis, design, and frontend/backend development using modern web technologies to create an impactful online platform for brand visibility.

Education

Year	Qualification & Institute	Result
2020 – 2023	Diploma in Computer Technology SNJB's S.H.H.J.B. Polytechnic, Chandwad	96.71% (Aggregate: 94.06%) Rank-1
2024 – 2027	B.Tech in Computer Science and Engg. SGGS IE&T , Nanded	9.4/10

Skills

[Coding Profiles](#)

Programming	Java, Python (Basic), C++ (Basic)
Web	HTML, CSS, JavaScript, React.js, Node.js, Express.js
Databases	MySQL, MongoDB
Machine Learning	Basic ML Algorithms
DSA	Arrays, Linked List, Trees, Graphs, Dynamic Programming (Basic)
Tools/Platforms	AI Tools, Git, GitHub, VS Code, Cloudinary, Jupyter Notebook, Google Colab

Achievements & Certifications

- Completed **Generative AI Certification** & Certified in **AI Tools for Development**.
- Secured **1st Rank** in Diploma in Computer Technology(Category Rank:11,General Rank:2047 in Maharashtra).
- Solved **800+** coding problems on **GeeksforGeeks**, **LeetCode** and **CP platforms**.
